

Space Park Enology Club Presents
Five-Course dinner & live jazz at Crème de la Crepe
paired with John Alan Winery
Sunday, March 24th at 5:00 pm

We are thrilled to welcome owner/winemaker John Alan Ford of John Alan Winery to our first in-person event of 2024. Please join the Enology Club for a fun filled evening of live jazz music and a delicious, five-course French cuisine dinner. Your meal will be paired with a flight of Bordeaux-style, red wines.

John Alan wines are sourced from their vineyard located south of Paso Robles, in Templeton, California. The Templeton Bench viticulture region is known to produce exceptional Bordeaux varietals due to the hot summer days and very cool nights. John and his wife Kimiko have traveled extensively throughout California exploring the local wines. A degree in geology and John's love of science and soil became the foundation for his desire to learn about the history and technology of wine making. The property in

Templeton, California was purchased in 1999 and the vineyards are on a 24 acre parcel consistently producing premium fruit.
