

Space Park Enology Club Presents
A Virtual Wine Tasting with
Sommelier, Jim Gerakaris of Justin Wines
Friday, May 14th, at 7:00 pm, via Zoom

The Space Park Enology Club is honored to welcome Certified Sommelier Jim Gerakaris from Justin Vineyards & Winery for a virtual wine tasting of one of Paso Robles' premier wine producers. Established in 1981, the winery and Justin brand has become synonymous for excellent wines from the Paso Robles region. Just to prove the point, Justin Winery was Wine Enthusiast's choice for 2015 Winery of the Year!

Located in the Adelaida District, Justin is one of the Go-To wineries for Paso Robles Bordeaux wines. They own four vineyards; one off Creston Road, another off Adelaida Road, the Debro Vineyard and their centerpiece, aptly named their Founder's Vineyard. From these vineyards, Justin produces about a dozen different wines including their Cabernet Sauvignon, the Cabernet Franc prominent Justification and their highly awarded and prized Isosceles. Now you've got the picture and want to know," ***What are we pouring and how do we get it?***

Jim will be leading us, (*in this order*) through our tasting of:

- (1) 2018 Savant Red Blend (Cab / Syrah)
- (2) 2018 Trilateral (GSM) Rhone blend
- (3) 2017 Isosceles (Cab / Cab Franc / Merlot) French Bordeaux blend

You can choose to join us on the tasting via Zoom without purchasing the wines (*but why would you willingly put yourself through such a torturous ordeal!?!?*)

Regular price for the 3 wines is \$181+Tax+ S/H, (~\$215). Justin has offered a special discount to the Enology Club. You will receive a 30% discount for the 3-bottle wine flight plus discounted UPS shipping. Your final cost is, delivered to your home is ~\$168.
