

**Space Park Enology Club Presents:**

**A Virtual Wine Tasting with  
Mike Officer of**

**Carlisle Winery & Vineyards**

**Friday, June 11th, at 7:30 pm, via Zoom**

We are excited to have Carlisle owner/winemaker Mike Officer join us for a Zoom wine tasting! We are sending this notice earlier than normal to allow Mike time to ship wine to us before Summer heat sets in. So, note below that he would like you to **get your orders in early**.

Carlisle Winery & Vineyards focuses on old-vine Zinfandel and red Rhône varieties to create small lots of distinctive, world-class wines from some exceptional California vineyards. Many of the old, twisted vines they harvest were planted between 1888 and 1934. Their own vineyard was planted in 1927 by Alcide Pelletti. Mike and his wife Kendall got their start by making an annual barrel of Zin in their kitchen. This evolved into an award-winning 300 case per year “garage” wine hobby. Their growing passion led them to move to Santa Rosa, buy the old Pelletti Ranch, and launch Carlisle in 1998.

Today, many of Carlisle’s limited production wines are only available to people who have signed up for their mailing list and receive twice-a-year allocations. But, for this event, Mike is graciously offering us a special discount: a 3-bottle shipment for only \$130.00, including tax and shipping.

So, join us on Zoom and sip along by ordering the discounted set of wines. Or, if you prefer, you can join us on Zoom without purchasing these wines. Of course, we don’t recommend that option!

**We will be tasting the following wines in this order:**

- 2017 Two Acres Russian River Valley Red Wine
- 2018 Radiant Ridge Bennett Valley Syrah
- 2018 Papera Ranch Russian River Valley Zinfandel

**Order Early:** Please place your **order by May 13th or earlier** for two reasons. First, there is a limited quantity of these wines – don’t miss out! Second, we want to give Mike the flexibility to ship your wines in cool weather. Kendall calls Mike the weatherman because he studies shipping routes and only ships wine when he knows a heat wave will not damage his carefully crafted wines!

**Ordering Instructions:** Simply select the 3 bottles listed above using the website’s normal ordering process (there is not a special package for the event). Enter your shipping and billing information. The order should total about \$165 (the price you would normally pay for these wines).

**In order to get our discount, type this into the COMMENTS section:**

***Please apply Space Park Enology Club discount.***

Mike will process an adjustment to the credit card charge which will reduce the net total to \$130.
