The Space Park Enology Club is excited to announce our August virtual wine tasting! Please join us in welcoming Wayne Kelterer, Director of Private Sales and Hospitality, and Winemaker, Matt Dees, of JONATA, The Hilt Estate, and the Paring, which are the three wineries owned by E. Stanley Kroenke, Los Angeles Rams Owner/Chairman and developer of SoFi Stadium and Hollywood Park. Wayne and Matt will lead us through a tasting and discussion of the wines in this order: **2018 THE HILT ESTATE PINOT NOIR**, **2016 JONATA TODOS RED BLEND**, and **2016 JONATA FENIX MERLOT**. Watch and listen via Zoom and sip along by ordering these three amazing wines.

Background: JONATA, The Hilt, and The Paring are the three brands produced by winemaker Matt Dees. Each reflect a dedication to meticulous farming which includes no pesticides and a precise approach to winemaking in the cellar. JONATA, situated in the Ballard Canyon AVA, is a 600-acre estate with 85 acres planted. Sandy soils are pervasive throughout the property which creates challenging farming conditions but critically acclaimed wines with a particular commitment to cabernet sauvignon, merlot, cabernet franc, and syrah. The Hilt Estate located in the southwest corner of the Santa Rita Hills AVA, is a 3,600-acre property with three very distinct vineyards: Bentrack, Puerta del Mar and Radian. Only 200 acres of vines are planted on this sprawling property, which is influenced with whipping cool maritime winds and diatomaceous soils with a focus to pinot noir and chardonnay. The Paring wines are from the vineyard blocks that are either too young or don't fit into the vintage style of the highly acclaimed JONATA and The Hilt wines. The Paring are California pedigree perfected and include a red blend, sauvignon blanc, pinot noir, chardonnay, and syrah.
