

Space Park Enology Club Presents
Sumptuous Five-Course dinner at Chef Melba's
paired with Steinbeck wines
Sunday, June 11th at 5:00 pm

We last saw Cindy Steinbeck in November 2020 for a virtual tasting event featuring a selection of their fabulous reds. We are thrilled to have her return for a live event at local favorite Chef Melba's Bistro in Hermosa Beach. Please join us for what will be a delicious evening of Melba Rodriguez's amazing cuisine expertly paired with Steinbeck wines.

Steinbeck Vineyards & Winery is a gem in the heart of California's Central Coast, Paso

Robles. The family has been farming in Paso Robles for seven-generations. Its 500-acre property provides premium fruit for labels such as Eberle, Justin and J. Lohr. Steinbeck sets aside some of its best fruit, and under the guidance of renowned winemaker Steve Glossner, consistently produces excellent, small batch, well-aged wines year after year.
