

Space Park Enology Club Presents
“Take a Sojourn into Pinot Noir”
With Sojourn Cellars

Founder & Director of Winemaking Erich Bradley

Friday, July 14, 2023, 7:30 pm

This month we are very honored to present the renowned boutique Sonoma winery Sojourn Cellars, which produces highly acclaimed Pinot Noir, Chardonnay, and Cabernet Sauvignon. Sojourn sources fruit from celebrated vineyards in both Sonoma and Napa counties, where they work closely with vineyard owners who use world-class growing methods for cultivating grapes of the highest quality. Their hands-off winemaking style allows the character and personality of these special vineyard sites to shine through in the finished wines.

Sojourn Cellars began in 2001 as a collaboration between two friends, Craig Haserot and Erich Bradley, who shared a passion for two things: great wine and tennis. With Erich's experience as an Assistant Winemaker at Arrowood Winery, the two developed a plan to produce small bottlings of Cabernet Sauvignon from extraordinary vineyard sources. They started with just over a hundred cases of Cabernet Sauvignon, and today they produce 21 unique wines with worldwide distribution. What began as their personal journey, evolved into a first-class boutique winery committed to making memorably luxurious Pinot Noir,

Chardonnay, and Cabernet Sauvignon. Since Sojourn's wines are usually sold on allocation only to mailing list members and a select group of restaurants, retailers, and distribution partners, we are particularly honored to have them presented to our Enology Club.
