

**Space Park Enology Club presents**  
**The Classics: Cab, Merlot & Zin**  
**Three Flights and Three Price Points**

Kyle Meyer of the Wine Exchange  
Friday, October 18<sup>th</sup>, 7:30 pm  
Sonesta Hotel - Redondo Beach & Marina

The Space Park Enology Club is pleased to welcome back Kyle Meyer, President of the Wine Exchange, to lead us through a tasting of the classic varietals: Cabernet Sauvignon, Merlot and Zinfandel. We will taste these varietals at premium “High”, “Mid”, and “Low” price levels and see where we can find the best bang for the buck. Wines will include selections from Duckhorn, Far Niente, Ridge and Turley.

Since 1991, Kyle has been an integral part of The Wine Exchange, leading its evolution in creating a wine sales and education platform including a dynamic and evolving website, brand new wine showroom, irreverent but timely daily missives, a healthy social media following on all social media platforms including their YouTube channel, The Extract, a progressive Pre-Arrivals offering system and, of course, those same rock-bottom prices.

Some of you may remember Kyle from our past tastings of “Surfing through Spain” and “The ABCs of Italian Wines”. He has a reputation in the industry as a wine savant, writer, and an ultimate professional with a personable, true connection to everyone he meets! Our “Bang for the Buck” theme for the tasting fits perfectly with Kyle’s skills as an educator, and the Wine Exchange’s ability to find great wine buys at all price levels.

Our tasting will start with an aperitif, followed by three blind flights. A charcuterie platter of fruit, cheese, crackers, and cured meats will be served at each table.

The cost for this event is **\$72 per person**. **Register and pay by Friday, October 11<sup>th</sup>**. **Payment options:**
