

Space Park Enology Club Presents

DAOU Vineyards Virtual Tasting with Nicole Martinelli

Friday, September 18th at 7:30 pm

The Enology Club is pleased to present a virtual tasting of selected wines from DAOU Vineyards. Nicole, Business Development Manager, will guide guests through the Reserve and Estate Collections, showcasing thoughtfully curated selections for both red and white wine enthusiasts.

Hailed decades earlier as a “jewel of ecological elements” by legendary winemaker André Tchelistcheff, DAOU Mountain was rediscovered by brothers Georges and Daniel Daou in 2007. Their quest for a sublime terroir ended here, on steep slopes that ascend to an elevation of 2,200 feet, all blessed with the type of calcareous clay soil found in the greatest appellations. The Adelaida District would soon become the world’s newest benchmark for Cabernet Sauvignon.

To visit DAOU Mountain is an experience unlike any other winery in Paso Robles with breathtaking views, unmatched hospitality, world class wines, and a phenomenal culinary menu that you can order from during your wine flight. While DAOU is now a part of Treasury Wine Estates, what Georges and Daniel created here on this beautiful mountain top lives on through each glass of wine. To quote the brothers:

“There is a power within this Mountain we call home. It turns raindrops and roots into extraordinary wines – and everyone who comes here into family. There is nothing more important than human connection.”

This tasting will explore each of the following wines. Nicole is offering a 20% discount to purchase any or all of the wines for the event. Team up with friends for a party and buy them all!
